WHAT'S HAPPENING AT YOUR LIBRARY?

By Justine Peterson, Library Director

Hello, wonderful patrons!

The Summer Reading Program is finally here! Beginning June 5, you'll be able to register for the 2023 Summer Reading Program: All Together Now! In June, we'll be focusing on themes of community and nature.

Our **Children's Events** this month will be our bi-weekly storytime and crafts, as well as a couple of Take n' Make Crafts. We will be welcoming Dalis to the Rescue on June 5 to read *Dalis to the Rescue*, and create our very own furry friends! Hop, Slither, and Crawl will teach us about Michigan's fascinating reptiles and amphibians!

Our **Adult Events** this month will include our very first Bring Your Own Book Club! Come discuss what you're reading with other members of our community. The Commission on Aging will also be giving a presentation about the COA, and everything it offers. toward the end of the month, come to the library to learn about Sunprints and make one of these unique crafts for yourself!

We would also like to thank everyone who donated to the Dog & Cat Food Drive! As of today, our bin is full of food for the dogs and cats at Dalis to the Rescue. The drive officially ends on June 5, so if you want to donate, there is still a little bit of time to bring something to the library!

We hope to see you soon!
